## finally letters:

More letters have come into the office that we had to share just a couple with you here today

My girlfriend and I are extremely competitive. We bonded over games, shouting insults at each other, and trying to psych one another out, and still regularly have game nights. A few weeks ago, we were watching TV for our date night and both a little out of it when she suggested something I'd never tried before: strip poker.

I questioned her at first; strip poker is one of those games that you really know the ending long before it begins, and I had to wonder aloud if either one of us (mostly me) might lose on purpose to get to the happy ending. So, she added a twist. The game would keep going until both of us were naked, and if one of us got there before the other, she said we'd let the dice decide what happened to them. I wasn't sure what she meant by that fully, and she refused to say, hidden behind a wicked smile.

It was the smile, the same one that always got me to play. I agreed, and it didn't take me long to realize that I didn't need to lose on purpose; she was kicking my ass. I was already out of my socks, shirt, undershirt, and belt before she lost her shirt, revealing her perky, tender breasts behind a red lace bra that made me wonder if she had planned this.

Another hand and I was down to my underwear, and I think she actually let me win and pulled off that bra before she beat me senseless and got my boxers. So, I was naked while she still had her pants and panties to go. The next

hand I actually thought I had her, and my dick was starting to show how excited it was that we were getting close to the end of the game. Then she swooped in and took the hand from me again and from somewhere or other, produced a set of dice and a long chart. She smiled broadly and rolled the dice before taking her time examining the chart. "...On the floor," she told me, which I did, confused. She then made her way over with that same wicked glare that got me to agree to all this in the first place. And when she got to me, she leaned in, looking like she was going to kiss me before her head moved away, down my body and toward my dick, which jumped, only wondering what she was going to do with it.

She opened her mouth, breathed on it, and lowered her mouth to... nibble the tip of my cock. She was there only for a few seconds and then pulled back up with a grin, trotting back to the table with a self-satisfied smirk and her boobs bouncing against her chest.

I got back up and followed her to the table, playing another hand that I quickly lost. She rolled the dice again, and this time, told me to come around and lick her nipples, which I did happily until she told me time was up. As I headed back toward my seat, I spotted her dice chart and quickly grabbed it. My eyes ran over it, widening as I saw all the combinations she had come up with, some of which I couldn't even

ever imagine.

I returned her wicked smile and quickly grabbed the dice. This game was more interesting! I rolled the dice and looked over the chart, handing it to my girlfriend who looked at me and nodded. I led the way back to the bedroom, removing the rest of her cloths, and laying on the bed while she stood over my face. Slowly, she did the splits, lowering her pussy toward my face. I stuck my tongue out, letting her find it before she started riding my face. My tongue darted in and out, moving in rhythm with her as she lowered her face toward my dick. We 69ed for a while before I heard the dice rolling on the nightstand. Within seconds, she pulled away and pulled a strap on toy from the nearby drawer. Without warning, she rolled me over and slid the toy deep into my ass, moaning at the way it made me squirm. It was a rush of pain and pleasure that felt even better as she pressed her flesh into mine, her boobs into my back. I played for a few seconds before rolling the dice myself. She pulled off and looked over at the

## after closing

I work at a very busy, trendy bar in the, what we call, the party district just off the campus at the University.. After a unusually slow night at the bar, the owner, Jack, suggested we lock up early. He said the remaining staff and a few friends could stay and party down since it was the holidays and pretty cold outside. After midnight we all started drinking, which we aren't allowed to do while on our shifts, and so we were all getting along quite well.

A couple that were friends with the owner were getting drunk quicker than the rest of us, and since they didn't have to work, they got a head start on the booze. They were sitting at a high table in the middle of the bar area, kissing and touching each other, and getting the rest of us turned on as we couldn't help but watch.

For the last few weeks, Jack, who was also the head bartender, had been giving me the eye, and

roll, smile widening across her face. "Your turn," she told me, rolling over on her stomach.

I took her in the ass, returning the favor she'd just given me. I loved the feeling, tighter than her pussy, and she took it deep and hard, moaning for more. It didn't take me long to load up her hole and collapse into bed next to her.

Since then, we've abandoned most other games to let the dice guide us, and the new competition is to see who can come up with the best roll.

apparently tonight he decided he wasn't going to wait any more. We were all chatting away and many started teasing and touching each other, getting more and more turned on. There was always sexual tension between the staffers and tonight it seemed ready to explode. Even I was getting a bit horny as the booze and eye candy were taking effect. I was getting moist and my clit was screaming to be rubbed. I really didn't care who did it, as long as someone did. As soon as one of the other waitresses got up from the bar stool next to me, Jack came over and started small talking me.

I must have said the right things because the next thing I know his hand is between my legs, feeling the small wet spot that had started to soak my undies. He rotated the bar stool so I faced him and lifted up my short skirt, pushing his hand down my panties. His fingers were so welcome by this point and I didn't give a fuck if there were other people watching.

One of the other waiters walked over to us, took my hand and placed it on his huge cock that was already sticking out of his pants. I held it in a vise-like grip and started pulling on it, feeling it getting bigger with every stroke. And as I leaned forward, down to his cock, I sensed his whole body shake. He knew he was going to get a bj, but up until now, I'm sure he never thought it would be from me since he was gay!

Suddenly, we heard loud screams and groans from that couple in the middle. She had climbed up on the tall table and was on her back, pantyless as her friend was eating her out. She stopped moaning and they switched places. He sat up on the

his massive cock. With hot juices dripping from my pussy, I slid onto it nice and easy.

The guy I was blowing couldn't believe it, he was being sucked off while I was being fucked, and I was sucking at his cock so hard, he spurt all his stuff in my mouth, cum sliding down the side of my face. By now the couple were fucking like mad. She had been screaming with every orgasm, and he was shooting cum all over her face. I was bouncing up and down being fucked really hard, and came again and again. My pussy and clit were on fire, my body was shaking and I couldn't control it.

My orgasms were huge, one after the other, bang, bang! Jack couldn't hold his cum any more and threw me off him and stood over me. I felt helpless that this guy was going to shoot one hell of a load all over me. His cum came out

like a raging waterfall, covering me and hitting my face. I was licking my lips, getting a good taste of it, loving it, all sticky and thick.

I didn't stay working at the bar much after that, I had my fun with

table, pants off, legs spread wide resting on a couple tall chairs as she settled between them and started sucking on his dick. I watched for a minute, then her head disappeared lower, probably to suck on his balls, and then I went back to my two guys. I grabbed the waiter's cock hard and pulled it to my mouth. I heard him moan; how long had he had this hard on? It was fucking rock hard, and he was loving my mouth around it, sucking it and stroking it hard with my hand.

By now Jack wanted in on the action, so without hesitation he pulled me up, pulled my panty aside and sat me on

the boss but his flirting with me began to piss me off. I decided to slip him my number in his back pocket and told him to call me in a year, and walked away. He did call me, but my husband answered the phone, so, I never heard from him again after that.

My husband was splitting his time between me and work. Lately, we started getting together more than usual. It was like we couldn't get enough of each other. But I needed more, so I found another 'cock.' It was a cool smooth gold and black vibe that I call 'Gary.'
